Single-Copy Sales, Stronger Retail Partnerships and a Better Bottom Line?

Power of One NAA SINGLE-COPY BUYER STUDY 2006

The latest version of the newspaper industry's guide to the lucrative single-copy market includes—

- ◆ The most comprehensive study of the single-copy market ever conducted by NAA
- ◆ In-depth data on the different types of single-copy buyers—and why and how they purchase
- ◆ Case studies of a dozen successful single-copy promotions
- ◆ Examination of the online channel and the role it plays in print readership
- ◆ Analysis on the increased impact of the front page on sales by the infrequent buyer
